

# MILLSTREAM ELEMENTARY NEEDS YOUR HELP!!!

## PLEASE SUPPORT THE LANGAGER FAMILY!

On Monday this week (Victoria Day), Calvin Langager was out enjoying some fun quality time with his family when he was involved in a terrible biking accident. He sustained a serious back injury, and was immediately flown to Vancouver to have surgery.

His wife Tracy is with him, while their three children Thor (Grade 4), Gunnar (Grade 2) and Una (Age 4) remain in the care of their maternal grandparents and extended family in Victoria.

Tracy shared that it will be a few days still until doctors can determine the severity of Calvin's injuries, and what they will be dealing with long term. This is why they NEED the support of our Millstream community! No matter

what the outcome, the Langager family will be faced with some challenging times (emotionally, physically, and financially) in the coming weeks and months ahead while Calvin recovers from his injury. Their children are definitely trying to cope with and process what's happened in their own way the best they can, but it's been tough as you can imagine.

If you are able to contribute in any way to support the Langager family, it would be greatly appreciated!

If you can't contribute financially, then please consider helping out in other ways via: arranging play dates with their kids, driving their children to extra-curricular activities if your child plays on the

same team, cooking or buying some meals for them, etc. They have no food allergies that they know of. This would greatly help Tracy and her parents out as this is one less thing they'll have to do while Calvin is in hospital. Gift cards to a grocery store would also be appreciated.

The Millstream school community has always been incredibly caring and willing to lend a hand when needed. We all wish to send positive thoughts to Calvin and his family, and wish him a speedy and healthy recovery. We are all hoping and praying for the best possible outcome in this unfortunate situation.

Thank you Millstream families for your time and support!

### How can you help?

- ★ Arrange playdates with Thor, Gunnar or Una and your child(ren)
- ★ Cook or buy meals for the family
- ★ Drop off empty bottles at Alpine noting Millstream
- ★ Drop off cash donations in the office
- ★ Go on our website and donate online:
